

## 2.54 mm IDC Socket

### SPECIFICATIONS

|                       |                                       |
|-----------------------|---------------------------------------|
| Current Rating        | : 3AMP                                |
| Operation Temperature | : -40°C to +105°C                     |
| Contact Resistance    | : 20mΩ Max.                           |
| Insulation Resistance | : 1000MΩ Min.                         |
| Withstand Voltage     | : AC 1000V                            |
| Insulator Material    | : Polyester(UL94V-0)<br>Standard: PBT |
| Contact Material      | : Brass                               |
| Contact plating       | : Au or Sn over 50u'<br>Ni            |

|                                                                                       |                                                                      |                                                                                                                            |
